A MESSAGE FROM THE CHANCELLOR

Dear Class of 2021:

In this most extraordinary year, I offer my deep admiration, gratitude and sincere congratulations to a most extraordinary class of graduates.

As numerous forces upended our world, you held your dreams steadily in sight and persisted in your studies through challenges none of us could have imagined. Unlike any other CSU graduating class past or future, you have by necessity developed and demonstrated skills—far beyond your academic work—that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity.

While so much and so many have been lost, your resolve has shone as a symbol of hope and optimism—and you should be proud.

On behalf of the entire California State University community, I am certainly proud to present you to the world as our newest class of CSU alumni, joining an impressive international network now nearly 4 million strong. Together, you will power the recovery of our state and nation, educate our next generation, fight for social justice, and create new and sustainable opportunities for health, security and prosperity for us all. I encourage you to stay connected to your campus and your peers, to look for opportunities to give back, and to support the future generations who will follow in your footsteps.

And as our many months of physical separation begin to come to a close, I hope you will hold in your hearts all of those who have supported you from afar. The faculty who broadened and deepened your understanding of the world. The counselors, advisors, librarians, tutors, coaches, facilities and support staff who created a nurturing environment of care and growth. Your family and friends, whose belief in you never wavered.

All of these people have been forever impressed by your spirit, determination and accomplishments. Please count me among them—and I know you will continue to make us proud.

Again, congratulations to the class of 2021!

Sincerely,

Joseph I. Castro
Chancellor
San Diego State University

122ND COMMENCEMENT
A MESSAGE FROM THE PRESIDENT

Dear Graduate:

On behalf of the San Diego State University community, congratulations on your graduation!

I wish to acknowledge the dedication, resilience, and support of all those who helped you get here: your family members, friends, your SDSU faculty and staff—all of whom played an important role to support or mentor you during your degree. Just as important, the personal dedication, courage, and tenacity you have demonstrated this past year exemplify the critical skills California and the world needs to move us to a brighter future.

Your graduation marks not just a moment of celebration; it honors the years of learning and growth which precedes it. At the same time, our graduation ceremony is referred to as a commencement—the point at which something begins, not where it ends.

This month, in more ways than one, marks a new beginning for you. You are now a graduate. You are now formally recognized for your years of study and expertise in a field aligned with your career aspirations. You are also now part of San Diego State University’s proud alumni tradition as the Class of 2021. This is an exceptional family to join—a community of nearly 476,000 living alumni throughout the United States and abroad—known for leading and serving our region and our world. SDSU alumni create and grow businesses; serve communities as government officials, teach the next generation of leaders; make scientific discoveries; produce creative contributions to the arts; and advance innovations in countless fields.

Now, as our world faces important challenges, it is your turn to lead and serve. We are certain that the skills that helped you succeed at SDSU will give you the confidence to take on the opportunities that lie ahead.

As your list of accomplishments grows, we hope you will return often to your university, to your roots, to your home. There will be new generations of students looking to learn from you, as alumni. Know that we will always welcome you back. Your continued participation in the SDSU community is one of our future student’s most valuable assets.

Today, you graduate with our respect, our pride, and with formal recognition of your achievements and your untapped potential. We are grateful for the role you have played in the life of this very special university, and celebrate you with heartfelt affection.

With warm regards,

Adela de la Torre, Ph.D.
President
Dear Fowler Graduates:

Congratulations to you and your loved ones on this monumental achievement! Graduation marks the culmination of your hard work, resilience, and determination. I hope you can join us either in-person or virtually to celebrate. Taking part in this ceremony has always been a highlight of my career. It is a privilege to share in the joy and pride your family and friends feel when they see you achieve this significant milestone in your life. This year’s commencement takes on special meaning as it occurs at a time when we have reason to be hopeful that we are reaching the end of the pandemic that began in spring 2020. The pandemic undoubtedly altered our lives in many aspects but despite all the challenges and setbacks you have succeeded. You have reached this cherished day. You have my heartfelt respect and admiration.

It is my hope that after graduation you embark on a journey as a lifelong learner. I hope you commit yourself to always seeking out the latest ideas, tools, and technology. Embrace change. Your education has enabled you to acquire and create new knowledge and I hope you use these skills to help us improve as individuals and as a society.

Since the year of our founding in 1955, the Fowler College of Business has graduated over 60,000 alumni. We are proud of the accountants, entrepreneurs, managers, and many others who have demonstrated ethical leadership over the past decades and who have helped drive our economy and create jobs so that others can prosper. You follow in their footsteps and build on this great legacy. I wish you all the best and that you may live happy and successful lives. Please stay connected to your friends and colleagues at SDSU. Whatever adventures your future may bring, know that you will always be an Aztec for Life!

With gratitude,
Bruce A. Reinig, Thomas and Evelyn Page Dean (Interim)

Weber Honors College

Students graduating from the Weber Honors College have successfully earned at least 15 units in small, challenging, interdisciplinary honors courses. The Weber Honors College features a wide range of opportunities that help students broaden their knowledge, gain new perspectives, and understand complex issues from diverse points of view. Weber Honors College students experience one-on-one scholarly partnerships with distinguished faculty, complete a culminating portfolio, engage in university and community service activities, and further enrich their education through study abroad.

Phi Beta Kappa

Phi Beta Kappa is the nation’s oldest scholarly honor society, founded in 1776 at the College of William and Mary in Williamsburg, Virginia. The chapter at San Diego State University (Nu), first in the California State University and first in San Diego, was established in 1974. Students are invited to join Phi Beta Kappa for excelling in the liberal arts and sciences.

To be considered for membership in the Jane K. Smith Cap and Gown Chapter of Mortar Board, students must have senior standing for the fall semester with an overall grade point average of 3.2 and have participated and excelled in the areas of scholarship, leadership and service. Mortar Board, which was founded in 1918, had its beginning at SDSU in 1932 as Cap and Gown. In 1965, the local honor society was recognized as a member of the national society. Admission to Mortar Board is highly competitive. Membership is restricted to no more than 40 students per year.

TRADITION

Academic Regalia
Academic Dress

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

Postgraduate candidates wear hoods that fit around the neck in front and drape down over the robe in back. The hood lining displays the university colors of red and black. In addition, colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

The Gown

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

The Hood

Graduates holding master’s and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

The Cap

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.
Ceremonial Mace

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university’s mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising—a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU’s proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

Presidential Medallion

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU’s global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.
Jessie J. Knight, Jr. is managing director of Knight Angels LLC, a private equity fund devoted to anonymous financial support of community improvement projects that are led by innovative minority, women and military veteran leaders. He formerly served as Sempra Energy’s executive vice president of external affairs, chief sustainability officer and chairman of San Diego Gas & Electric and Southern California Gas Company. Mr. Knight currently co-chairs a national task force to create jobs in distressed U.S. cities with energy and infrastructure project investments. Previously, Mr. Knight was president and chief executive officer of the San Diego Regional Chamber of Commerce. Representing more than 400,000 employees, it is the largest business organization in California and the third largest Chamber of Commerce in the western U.S. Mr. Knight also served as vice president of Marketing for the San Francisco Chronicle and San Francisco Examiner newspapers where he won five Clio Awards for television, radio and print advertising, and a Cannes Film Festival Golden Lion Award for business marketing.

Mr. Knight was the governor-appointed commissioner for the California Public Utilities Commission. In various personal and professional capacities, he has been an ardent spokesperson to elevate the nation’s energy policy. Prior to his gubernatorial appointment, he was the executive vice president of the San Francisco Chamber of Commerce, responsible for international programs and economic and business development. In this role, he organized the original investor group to buy the San Francisco Giants, and helped orchestrate the approval and construction of the current baseball stadium where the Giants now play. He also has served on the boards of the Rady Children’s Hospital-San Diego, the J. Craig Venter Institute, the Southern California Leadership Council, the UC San Diego Foundation, the San Diego Padres and the Timken Museum of Art, where he is board chair.

In 2013, the Corporate Directors Forum named Mr. Knight Director of the Year for Corporate Citizenship. He received the President’s Leadership Award for Regional Partnership from the Southern California Association of Governments, the nation’s largest metropolitan planning organization. Mr. Knight retired from corporate life in 2016. Mr. Knight is a graduate of St. Louis University, a fellow of the University of Madrid and holds a master of business administration degree from the University of Wisconsin-Madison. He is a life member of the Council on Foreign Relations and a member of Her Majesty Queen Elizabeth II's Order of St. John.

In recognition of his extraordinary achievements and as an inspiration to students at San Diego State University, the Board of Trustees of the California State University and San Diego State University are proud to confer upon Jessie J. Knight, Jr. the honorary degree of Doctor of Humane Letters.
