A MESSAGE FROM THE INTERIM CHANCELLOR

Dear Graduates:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. You set your sights on earning a degree; and now, that goal is a reality. That is a wondrous accomplishment, and I hope you feel a well-deserved sense of pride.

I hope you are filled with a sense of kinship and gratitude, as well. So many people have given so much to enable your success: faculty who illuminated your academic path; counselors, advisors, librarians, coaches and support staff who fostered an encouraging environment; family, friends, mentors and colleagues who gave their time and treasures to facilitate your journey. As you celebrate your success, please remember to celebrate their support as well.

Unlike any other graduating class, your university experience has been shaped in extraordinary ways by more than two years of a global pandemic. During those years, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary. While it might have been different than the college experience you envisioned when you started your journey, these years have made you sharper, tougher, brighter and more purpose-driven than ever before.

With this rite of passage we call "commencement," you will join a dynamic, global network of more than four million California State University alumni. They are a remarkable force for good, and I am certain that your addition will multiply their contributions to our communities, to our state and to the world. I ask that you use the knowledge, skills and personal qualities you have developed to work for justice, to seek opportunities to foster equity, and to always uplift and empower others. Stay connected to your campus and look for ways to give back. Support future generations who aspire to follow in your footsteps.

As you step boldly into your future, I know I speak for every member of the California State University community when I express our collective pride in your perseverance and success. Your resolve shines as a symbol of hope and optimism. Again, congratulations, class of 2022!

Sincerely,

Jolene Koester, Ph.D.
Interim Chancellor
Dear Graduate:

I personally congratulate you on your graduation and the many achievements that preceded this moment. I also extend congratulations on behalf of the entire San Diego State University and alumni community.

As we honor you, we also celebrate the years you have dedicated to learning and to securing your path forward. You have grown into your leadership and your potential, and the impact you can make now and in the future is great. This is the goal of a true, meaningful education.

In honoring you, I also wish to acknowledge the dedication, resilience and support of all those who helped you get here: your family members, friends and other loved ones and SDSU faculty and staff. But just as important, the personal dedication, courage and tenacity YOU have demonstrated this past year exemplify the critical skills California and the world both need to move us into a much brighter future.

Our graduation ceremony, referred to as a commencement, marks the point at which something begins, not where it ends. You are at the start of a new beginning. You are now formally recognized for your years of study and expertise in a field aligned with your career aspirations. You are also now part of San Diego State University’s proud alumni tradition as the Class of 2022. This is an exceptional family to join — a community of nearly 500,000 living alumni throughout the United States and abroad — known for leading and serving our region and our world. SDSU alumni are known to do more and create more by launching and growing businesses; serving communities as government officials; teaching the next generation of leaders; making scientific discoveries; producing creative contributions to the arts; and advancing innovations in countless fields.

As our world faces important challenges, it is your turn to lead and serve in new and different ways. We are certain that the skills and the network that helped you succeed at SDSU will give you the confidence to take on the opportunities that lie ahead.

As your list of accomplishments grows, we hope you will return often to your university, to your roots, to your home. There will be new generations of students looking to learn from you, as alumni. Know that we will always welcome you back. Your continued participation in the SDSU community is one of our future student’s most valuable assets.

Today, you graduate with our respect, our pride, and with formal recognition of your achievements and your untapped potential. We are grateful for the role you have played in the life of this very special university, and celebrate you with heartfelt affection.

With warm regards,

Adela de la Torre, Ph.D.
President
A MESSAGE FROM THE DEAN

Dear Graduates,

On behalf of the College of Education, congratulations on this momentous achievement. Today is a chance to celebrate what you—through perseverance and countless hours of hard work—have accomplished, and to imagine what possibilities lie ahead. I hope you relish this joyous moment with your classmates, family, friends, mentors, and all the people who have supported you. You have earned it.

This accomplishment is even more meaningful given what you have overcome. You have completed your studies during a time of unforeseen historic crisis brought on by the COVID-19 pandemic. Many of you have had to deal with loss, hardship, and uncertainty in your personal lives. And a significant portion of your time with us has been spent in virtual modalities, rather than in-person. I am so impressed with the way you rolled with all of this adversity, clearing hurdle after hurdle to reach this day.

As you leave SDSU, take heart. Life is inching back towards normalcy as you embark on, or take the next step in, your career. It is also clear that the world that needs difference makers—needs you—now more than ever before. The pandemic has laid bare inequities in education, mental health and other fields. We are confronted with constant reminders of injustice and systemic racism. Whether you go on to be a teacher, administrator, counselor or therapist, I hope to see you on the front lines of the fight for social justice and systemic change. You have the power to change the world.

I am most honored and gratified to celebrate your graduation with you.

I wish you good luck and continued success.

IN TRIBUTE
San Diego State University pays tribute to those students who put their education on hold to serve in the U.S. Armed Forces. To those students, and to those who gave their lives, we say thank you.
TRADITION

Academic Regalia
Academic Dress

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

The Gown

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

The Hood

Graduates holding master’s and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

The Cap

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.
TRADITION

Ceremony
**Ceremonial Mace**

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university’s mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising—a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU’s proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

**Presidential Medallion**

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU’s global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.
