Class of 2022

AZTEC FOR LIFE

As an Alumni Lifetime Member you receive benefits to support your journey.

When you join

Get $125 OFF One-time Membership Fee
Receive a $115 Aztec Shops Gift Card
OR Classic Medallion Diploma Frame

You’ll also receive

20% OFF Select Global Campus Certificates
20% OFF Aztec Imprinted Merchandise
Exclusive Event Invitations, and More!

SDSU Alumni
LIFETIME MEMBER

sdsualumni@sdsu.edu/2022
Dear Graduates:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. You set your sights on earning a degree; and now, that goal is a reality. That is a wondrous accomplishment, and I hope you feel a well-deserved sense of pride.

I hope you are filled with a sense of kinship and gratitude, as well. So many people have given so much to enable your success: faculty who illuminated your academic path; counselors, advisors, librarians, coaches and support staff who fostered an encouraging environment; family, friends, mentors and colleagues who gave their time and treasures to facilitate your journey. As you celebrate your success, please remember to celebrate their support as well.

Unlike any other graduating class, your university experience has been shaped in extraordinary ways by more than two years of a global pandemic. During those years, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary. While it might have been different than the college experience you envisioned when you started your journey, these years have made you sharper, tougher, brighter and more purpose-driven than ever before.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than four million California State University alumni. They are a remarkable force for good, and I am certain that your addition will multiply their contributions to our communities, to our state and to the world. I ask that you use the knowledge, skills and personal qualities you have developed to work for justice, to seek opportunities to foster equity, and to always uplift and empower others. Stay connected to your campus and look for ways to give back. Support future generations who aspire to follow in your footsteps.

As you step boldly into your future, I know I speak for every member of the California State University community when I express our collective pride in your perseverance and success. Your resolve shines as a symbol of hope and optimism. Again, congratulations, class of 2022!

Sincerely,

Jolene Koester, Ph.D.
Interim Chancellor
San Diego State University
123rd Commencement
Dear Graduate:

I personally congratulate you on your graduation and the many achievements that preceded this moment. I also extend congratulations on behalf of the entire San Diego State University and alumni community.

As we honor you, we also celebrate the years you have dedicated to learning and to securing your path forward. You have grown into your leadership and your potential, and the impact you can make now and in the future is great. This is the goal of a true, meaningful education.

In honoring you, I also wish to acknowledge the dedication, resilience and support of all those who helped you get here: your family members, friends and other loved ones and SDSU faculty and staff. But just as important, the personal dedication, courage and tenacity YOU have demonstrated this past year exemplify the critical skills California and the world both need to move us into a much brighter future.

Our graduation ceremony, referred to as a commencement, marks the point at which something begins, not where it ends. You are at the start of a new beginning. You are now formally recognized for your years of study and expertise in a field aligned with your career aspirations. You are also now part of San Diego State University’s proud alumni tradition as the Class of 2022. This is an exceptional family to join — a community of nearly 500,000 living alumni throughout the United States and abroad — known for leading and serving our region and our world. SDSU alumni are known to do more and create more by launching and growing businesses; serving communities as government officials; teaching the next generation of leaders; making scientific discoveries; producing creative contributions to the arts; and advancing innovations in countless fields.

As our world faces important challenges, it is your turn to lead and serve in new and different ways. We are certain that the skills and the network that helped you succeed at SDSU will give you the confidence to take on the opportunities that lie ahead.

As your list of accomplishments grows, we hope you will return often to your university, to your roots, to your home. There will be new generations of students looking to learn from you, as alumni. Know that we will always welcome you back. Your continued participation in the SDSU community is one of our future student’s most valuable assets.

Today, you graduate with our respect, our pride, and with formal recognition of your achievements and your untapped potential. We are grateful for the role you have played in the life of this very special university, and celebrate you with heartfelt affection.

With warm regards,

Adela de la Torre, Ph.D.
President
A MESSAGE FROM THE DEAN

Dear College of Engineering Graduate,

Many congratulations on your graduation from the College of Engineering!

The completion of your degree has required a great deal of diligence and perseverance, especially during these challenging times while dealing with the coronavirus pandemic. As you might have heard, commencement does not mean an end to your studies, but rather a beginning. The same traits that enabled you to have a successful academic career will be called on throughout your professional life. Thus, you have learned much more than facts and techniques at San Diego State University. You have honed the intellectual and personal qualities that will sustain your continued success. Please accept my best wishes for professional and personal fulfillment as you commence the next phase of your life.

We very much appreciate your commitment to learning and forging your academic path in these extraordinary and challenging times. And we are proud that we all made it clear that the strength of an institution of higher learning, like SDSU, and the quality and value of the education you received, could endure any storm.

It is my hope that you will remain in contact with us over the years. I encourage you to become involved in San Diego State University's Alumni Association. In addition, the engineering professional societies are excellent ways to stay in touch with your alma mater and with other engineers in your field.

We truly look forward to hearing of your future success. Once again, congratulations and good luck with your future endeavors!

With best wishes,

Eugene Olevsky, Ph.D.

Weber Honors College

Students graduating from the Weber Honors College have successfully earned at least 15 units in small, challenging, interdisciplinary honors courses. The Weber Honors College features a wide range of opportunities that help students broaden their knowledge, gain new perspectives, and understand complex issues from diverse points of view. Weber Honors College students experience one-on-one scholarly partnerships with distinguished faculty, complete a culminating portfolio, engage in university and community service activities, and further enrich their education through study abroad.

University-wide Honor Societies

PHI BETA KAPPA

Phi Beta Kappa is the nation’s oldest scholarly honor society, founded in 1776 at the College of William and Mary in Williamsburg, Virginia. The chapter at San Diego State University (Nu), first in the California State University and first in San Diego, was established in 1974. Students are invited to join Phi Beta Kappa for excelling in the liberal arts and sciences.

To be considered for membership in the Jane K. Smith Cap and Gown Chapter of Mortar Board, students must have senior standing for the fall semester with an overall grade point average of 3.2 and have participated and excelled in the areas of scholarship, leadership and service. Mortar Board, which was founded in 1918, had its beginning at SDSU in 1932 as Cap and Gown. In 1965, the local honor society was recognized as a member of the national society. Admission to Mortar Board is highly competitive. Membership is restricted to no more than 40 students per year.

TAU SIGMA

Tau Sigma is a national academic honor society designed specifically to recognize and promote the academic excellence and involvement of transfer students. Tau Sigma was originally founded in 1999 at Auburn University in Alabama. San Diego State University’s chapter was established in August 2017. Students are invited for earning a 3.5 grade point average during their first term.

HENRY L. JANSSEN HONORS COUNCIL AWARD

The Henry L. Janssen Honors Council Award and scholarship is given each year to students who have been selected as members and actively participate in all five university-wide honor societies: Phi Eta Sigma, Golden Key International Honor Society, Phi Kappa Phi, Phi Beta Kappa, and Mortar Board National Honor Society.

IN TRIBUTE

San Diego State University pays tribute to those students who put their education on hold to serve in the U.S. Armed Forces and honors the memory of those whose lives were lost.
TRADITION

Academic Regalia
**Academic Dress**

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

Postgraduate candidates wear hoods that fit around the neck in front and drape down over the robe in back. The hood lining displays the university colors of red and black. In addition, colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

**The Gown**

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

**The Hood**

Graduates holding master’s and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

**The Cap**

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.
TRADITION

Ceremony
Ceremonial Mace

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university's mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising—a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU's proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

Presidential Medallion

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU's global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.

Professor of Public Health, 30 Years
IN MEMORIAM

San Diego State University honors the memories of faculty and students we lost over the past year, as well as the countless lives that have been lost due to the pandemic.

Eva Binger  
Carl J. Carrano  
Laurie Edson  
Spencer Evansi  
Gabriel Lumabao  
Gabriel Masri  
Khaleel Mohammed  
Micah Pietila-Wiggs  
Elizabeth Springer  
Maxwell Tamulonis  
Jason Washington

PHOTOGRAPHY

GradImages® is the official photographer for commencement. Your proofs will be available after the ceremony. To view your proofs online, please visit www.gradimages.com/sandiegostateuniversity. Pictures may be ordered online, by phone, or by mail. If you have any questions, please contact Customer Service at (800) 261-2576 or via email at giservice@gradimages.net.
Leave Your Legacy

Donate to the Aztec Proud Class of 2022 Legacy Scholarship to impact the lives of fellow and future SDSU students.

Make a gift of $10 or more to receive a keepsake legacy cord to commemorate your commitment to excellence at SDSU.

Visit sdsualumni.org/legacy2022 to donate today!

Congratulations, Class of 2022!

SDSU Alumni
Congratulations!
