Class of 2022

AZTEC FOR LIFE

As an Alumni Lifetime Member you receive benefits to support your journey.

When you join

Get $125 OFF One-time Membership Fee
Receive a $115 Aztec Shops Gift Card
OR Classic Medallion Diploma Frame

You’ll also receive

20% OFF Select Global Campus Certificates
20% OFF Aztec Imprinted Merchandise
Exclusive Event Invitations, and More!

sdsualumni@sdsu.edu/2022
A MESSAGE FROM THE INTERIM CHANCELLOR

Dear Graduates:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. You set your sights on earning a degree; and now, that goal is a reality. That is a wondrous accomplishment, and I hope you feel a well-deserved sense of pride.

I hope you are filled with a sense of kinship and gratitude, as well. So many people have given so much to enable your success: faculty who illuminated your academic path; counselors, advisors, librarians, coaches and support staff who fostered an encouraging environment; family, friends, mentors and colleagues who gave their time and treasures to facilitate your journey. As you celebrate your success, please remember to celebrate their support as well.

Unlike any other graduating class, your university experience has been shaped in extraordinary ways by more than two years of a global pandemic. During those years, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary. While it might have been different than the college experience you envisioned when you started your journey, these years have made you sharper, tougher, brighter and more purpose-driven than ever before.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than four million California State University alumni. They are a remarkable force for good, and I am certain that your addition will multiply their contributions to our communities, to our state and to the world. I ask that you use the knowledge, skills and personal qualities you have developed to work for justice, to seek opportunities to foster equity, and to always uplift and empower others. Stay connected to your campus and look for ways to give back. Support future generations who aspire to follow in your footsteps.

As you step boldly into your future, I know I speak for every member of the California State University community when I express our collective pride in your perseverance and success. Your resolve shines as a symbol of hope and optimism. Again, congratulations, class of 2022!

Sincerely,

Jolene Koester, Ph.D.
Interim Chancellor
Dear Graduate:

I personally congratulate you on your graduation and the many achievements that preceded this moment. I also extend congratulations on behalf of the entire San Diego State University and alumni community.

As we honor you, we also celebrate the years you have dedicated to learning and to securing your path forward. You have grown into your leadership and your potential, and the impact you can make now and in the future is great. This is the goal of a true, meaningful education.

In honoring you, I also wish to acknowledge the dedication, resilience and support of all those who helped you get here: your family members, friends and other loved ones and SDSU faculty and staff. But just as important, the personal dedication, courage and tenacity YOU have demonstrated this past year exemplify the critical skills California and the world both need to move us into a much brighter future.

Our graduation ceremony, referred to as a commencement, marks the point at which something begins, not where it ends. You are at the start of a new beginning. You are now formally recognized for your years of study and expertise in a field aligned with your career aspirations. You are also now part of San Diego State University’s proud alumni tradition as the Class of 2022. This is an exceptional family to join — a community of nearly 500,000 living alumni throughout the United States and abroad — known for leading and serving our region and our world. SDSU alumni are known to do more and create more by launching and growing businesses; serving communities as government officials; teaching the next generation of leaders; making scientific discoveries; producing creative contributions to the arts; and advancing innovations in countless fields.

As our world faces important challenges, it is your turn to lead and serve in new and different ways. We are certain that the skills and the network that helped you succeed at SDSU will give you the confidence to take on the opportunities that lie ahead.

As your list of accomplishments grows, we hope you will return often to your university, to your roots, to your home. There will be new generations of students looking to learn from you, as alumni. Know that we will always welcome you back. Your continued participation in the SDSU community is one of our future student’s most valuable assets.

Today, you graduate with our respect, our pride, and with formal recognition of your achievements and your untapped potential. We are grateful for the role you have played in the life of this very special university, and celebrate you with heartfelt affection.

With warm regards,

Adela de la Torre, Ph.D.
President
Congratulations, you made it! The road to your degree has been long and challenging. Your hard work and dedication have paid off, though. You will learn that your SDSU degree opens many doors, and not just to job opportunities. I hope you will always find pleasure and satisfaction in continuing to learn new things, in creatively solving problems, in collaborating with others, and in explaining the wonders of the natural world to those around you.

You earned your degree under the most difficult circumstances imaginable, during a global public health emergency that has impacted every aspect of our lives. I am so sorry for the SDSU experiences that were taken from you by the pandemic: the face-to-face lectures and labs, the fun times you would have spent with new friends exploring our beautiful city, the opportunity to study abroad. But none of that changes the significance of today, when we recognize the incredible achievement of your graduating from SDSU. I remember my own graduation, though it was some time ago. It took me a while to understand the importance of my graduation day, that graduation is not just an endpoint (and an excuse for a party with friends and family!). Graduation is also a transition to a new period of your life, a period that will bring a new set of exhilarating challenges—but I know that you will surmount those challenges, in part because of your experiences at SDSU. Whatever you do next, I hope you will always look back fondly on your time at San Diego State University. We would love to hear from you in the future. Once an Aztec, always an Aztec!

I conclude with one small request: that you take a moment to thank the people who helped make this day possible: friends, family, loved ones, mentors, advisors, professors, teachers. Success is always a team effort. All of these people have earned their own share of gratitude and congratulations. Make sure they feel it!

Congratulations once again, and... go Aztecs!

Jeffrey T. Roberts, Ph.D.

Weber Honors College

Students graduating from the Weber Honors College have successfully earned at least 15 units in small, challenging, interdisciplinary honors courses. The Weber Honors College features a wide range of opportunities that help students broaden their knowledge, gain new perspectives, and understand complex issues from diverse points of view. Weber Honors College students experience one-on-one scholarly partnerships with distinguished faculty, complete a culminating portfolio, engage in university and community service activities, and further enrich their education through study abroad.

University-wide Honor Societies

PHI BETA KAPPA

Phi Beta Kappa is the nation’s oldest scholarly honor society, founded in 1776 at the College of William and Mary in Williamsburg, Virginia. The chapter at San Diego State University (Nu), first in the California State University and first in San Diego, was established in 1974. Students are invited to join Phi Beta Kappa for excelling in the liberal arts and sciences.

Erik Shimabukuro Voss
To be considered for membership in the Jane K. Smith Cap and Gown Chapter of Mortar Board, students must have senior standing for the fall semester with an overall grade point average of 3.2 and have participated and excelled in the areas of scholarship, leadership and service. Mortar Board, which was founded in 1918, had its beginning at SDSU in 1932 as Cap and Gown. In 1965, the local honor society was recognized as a member of the national society. Admission to Mortar Board is highly competitive. Membership is restricted to no more than 40 students per year.
TAU SIGMA

Tau Sigma is a national academic honor society designed specifically to recognize and promote the academic excellence and involvement of transfer students. Tau Sigma was originally founded in 1999 at Auburn University in Alabama. San Diego State University’s chapter was established in August 2017. Students are invited for earning a 3.5 grade point average during their first term.

HENRY L. JANSSEN HONORS COUNCIL AWARD

The Henry L. Janssen Honors Council Award and scholarship is given each year to students who have been selected as members and actively participate in all five university-wide honor societies: Phi Eta Sigma, Golden Key International Honor Society, Phi Kappa Phi, Phi Beta Kappa, and Mortar Board National Honor Society.

IN TRIBUTE

San Diego State University pays tribute to those students who put their education on hold to serve in the U.S. Armed Forces. To those students, and to those who gave their lives, we say thank you.
TRADITION

Academic Regalia
Academic Dress

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

The Gown

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor’s and master’s gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate’s field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor’s gown; short sleeves for the master’s; and round, full sleeves for the doctoral robe.

The Hood

Graduates holding master’s and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate’s field of study. The doctoral hood is longer than the master’s hood, and trimmed with additional velvet panels.

The Cap

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor’s degree wear a red and black tassel to represent SDSU school colors and graduates with a master’s degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.
Ceremonial Mace

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university’s mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising—a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU’s proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

Presidential Medallion

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU’s global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.
