A MESSAGE FROM THE INTERIM CHANCELLOR

Dear Class of 2023:

I offer you my most enthusiastic and heartfelt congratulations on achieving this consequential milestone on the journey of a lifetime.

Today, we celebrate you – and all the hard work, perseverance and scholarship that brought you here. You will undoubtedly look back on this occasion for many years to come, filled with a well-earned sense of pride in your accomplishments – and maybe even a sense of relief for attaining a goal that, at times, might have felt more than a little daunting.

As numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. You have by necessity developed and demonstrated

skills – far beyond your academic work – that will ensure your continued success: resilience, flexibility, resourcefulness, patience and tenacity. Your resolve shines brightly as a symbol of hope and optimism. It is admirable. And it is inspiring.

Of course, you did not make this journey alone. We also recognize the faculty who deepened your knowledge and enabled you to see the world from new perspectives. We acknowledge the counselors, tutors, advisors, librarians, coaches and support staff who championed you at every turn. And we appreciate the family, friends and loved ones who encouraged you, uplifted you and supported you along the way. Please remember to thank these important people and let them know how much their support means.

This celebration marks a new beginning for you – a time to commence a new life, filled with opportunities and prospects made possible by your degree from the California State University.

With this rite of passage we call “commencement,” you will join a dynamic, global network of more than 4 million CSU alumni. They are a remarkable force for good, and I am certain your addition to their ranks will multiply their contributions to our communities, to our state and to the world. I ask that – in the Cal State spirit – you use the knowledge, skills and personal qualities you have developed to work for justice, seek opportunities to foster equity and always uplift and empower others. Stay connected to your campus and look for ways to give back. And whenever possible, support future generations who aspire to follow in your footsteps.

On behalf of the entire California State University, again, congratulations.

Sincerely,

A handwritten signature in cursive script that reads "Jolene Koester".

Jolene Koester, Ph.D.
Interim Chancellor

San Diego State University

To honor our 125-year history and the many contributions of our students, faculty, staff and alumni, San Diego State University continues its anniversary celebration through 2023 in recognition of the foundational role SDSU has had in California's economic development. No matter your connection to SDSU, thank you for being part of our incredible community. Together with our nearly 500,000 alumni, we have a powerful impact on San Diego, our full transborder region, and all the global communities we serve.

Dr. Adela de la Torre, President, San Diego State University

A MESSAGE FROM THE PRESIDENT

Dear Graduate:

I congratulate you on your graduation and the many achievements that preceded this moment. I also extend congratulations on behalf of our entire San Diego State University and alumni community.

As we honor you, we also celebrate the years you have dedicated to learning, exploring, and refining your professional goals. I wish to acknowledge the dedication, resilience and support of all those who helped you get to this point in your professional career: your family members, friends, and other loved ones, along with SDSU faculty and staff. Your tenacity, courage and compassion exemplify the leadership attributes that California and the world need to move us into a much brighter future.

Our graduation ceremony, referred to as a commencement, marks the point at which something begins, not where it ends. You are at a new beginning. You are now formally recognized for your years of study and expertise in a field aligned with your career aspirations. You are also now part of San Diego State University's proud alumni tradition as the Class of 2023. This is an exceptional family to join — a community of nearly 500,000 living alumni throughout the United States and abroad — known for leading and serving our region and our world. SDSU alumni are known for their ability to lead. They launch and grow businesses, serve communities as government officials, and teach the next generation of leaders. They make scientific discoveries, produce creative contributions to the arts, and advance innovations in countless fields.

As our world faces important challenges, it is your turn to lead and serve in new and different ways. We are certain that the skills and the network that helped you succeed at SDSU will open up the professional opportunities that lie ahead.

As your list of accomplishments grows, we hope you will return often to your university, to your roots, to your home. There will be new generations of students looking to learn from you, as an alumnus. Know that we will always welcome you back. Your continued participation in the SDSU community is one of the most valuable assets our university provides its future students.

Today, you graduate with our respect, our pride, and with formal recognition of your achievements and your vast potential. We are grateful for the role you have played in the life of this very special university, and joyfully recognize your accomplishments today.

Congratulations on your graduation,

A handwritten signature in black ink, appearing to read 'Adela de la Torre'.

Adela de la Torre, Ph.D.
President

A MESSAGE FROM THE INTERIM DEAN

Dear Graduates,

Congratulations on completing your degree in the College of Arts and Letters at San Diego State University. I am so proud of you all! This will be my 21st graduation ceremony at SDSU and each one brings me joy, excitement and pride on your behalf. This day also reminds me why I love my job so much -- SDSU students! It has been a joy for me to watch all of you grow through your time at this wonderful educational institution.

As a graduate of SDSU, you join the ranks of the university's half million alums - more than 63,000 from the College of Arts and Letters! - who have left us wiser and better prepared for life than when they arrived. Through your experiences here, you have obtained valuable critical thinking, writing, and problem-solving

skills, as well as cultural, digital, and language capacities that will foster your success in a rapidly changing twenty-first century. I hope each of you connected with our amazing faculty and staff and had a journey that you remember always.

Graduations compel us to consider the people closest to us, those who have supported us and who continue to invest in our futures. One thing I know for sure is that none of us succeed on our own. Whether we are blessed with one person solidly in our corner, such as a professor, mentor, or family member, or an entire community holding us up, the collective urges us forward and sustains us. I hope you will warmly thank those people in your life who have cheered you on, supported you financially and emotionally, challenged and engaged you, and otherwise contributed to your success.

On this very special day, I wish you all a bright, shining future filled with accomplishments, positive social connections and opportunities to do impactful and meaningful work in and for this world.

Again, congratulations to the Class of 2023!

All my best,

Ronnee Schreiber, Ph.D.

IN TRIBUTE

San Diego State University pays tribute to those students who put their education on hold to serve in the U.S. Armed Forces. To those students, and to those who gave their lives, we say thank you.

TRADITION
Academic Regalia

Academic Dress

Academic dress, also known as academic regalia, originated in Medieval European universities during the 14th century, when commencement ceremonies were associated with religious ordination. In observance of tradition, all participants in commencement ceremonies wear full academic regalia, consisting of a traditional black gown, hood and mortar board.

Bachelor's and master's gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate's field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor's gown; short sleeves for the master's; and round, full sleeves for the doctoral robe.

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor's degree wear a red and black tassel to represent SDSU school colors and graduates with a master's degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

Postgraduate candidates wear hoods that fit around the neck in front and drape down over the robe in back. The hood lining displays the university colors of red and black. In addition, colored velvet edging on the hood corresponds to the graduate's field of study. The doctoral hood is longer than the master's hood, and trimmed with additional velvet panels.

The Gown

The typical academic gown is black, but some institutions choose colored gowns to signify certain colleges, universities or degrees. Bachelor's and master's gowns are plain, although sometimes worn with honor cords or stoles. The doctoral gown is trimmed down the front and around the sleeves with bands of velvet, either in black or a color associated with the graduate's field of study. Sleeve styles also vary with the degree: pointed sleeves on the bachelor's gown; short sleeves for the master's; and round, full sleeves for the doctoral robe.

The Hood

Graduates holding master's and doctoral degrees also typically wear a hood that fits around the neck in front and drapes down over the robe in back. The hood lining displays colors associated with particular schools. Chevrons in a second color indicate a dual emphasis, while colored velvet edging on the hood corresponds to the graduate's field of study. The doctoral hood is longer than the master's hood, and trimmed with additional velvet panels.

The Cap

The standard cap worn with academic regalia is the mortar board in black. Graduates with a bachelor's degree wear a red and black tassel to represent SDSU school colors and graduates with a master's degree wear an all-black tassel. Doctoral graduates wear a tam with a gold tassel.

TRADITION

Ceremony

Ceremonial Mace

The ceremonial mace, a symbol of university scholarship and integrity since the 11th century, is carried at the head of the academic procession at commencement and other special occasions to signify the importance of the event and the values of the university.

The university's mace was designed and handcrafted for San Diego State University by Michael Rybicki, an alumnus of the Master of Fine Arts jewelry and metalsmithing program.

The mace takes the iconic image of Hepner Hall as its main inspiration. Hepner Hall stands at the historic heart of the campus, and its bell tower and arch are well-loved symbols of the university for students, alumni and the entire San Diego community. A stylized silhouette of the bell tower, made of four curved sheets of sterling silver, sits atop a silver bowl formed by the traditional skill of hand raising—a metalworking method dating back thousands of years. The sleek curves of the tower resting on the hand-hammered bowl represent the blending of SDSU's proud history with its modern and forward-facing scholarship, research and community engagement. These sculptural elements sit atop a turned and carved walnut handle.

Presidential Medallion

The medallion worn by President Adela de la Torre at commencement was designed for her installation as the ninth president of San Diego State University on April 11, 2019. It was designed and created by metalsmith graduate student Rex Arthur Ramos. The nine waves of the medallion represent the past and current nine presidents of SDSU, each bringing a new wave of leadership. The circular shape of the medallion symbolizes a globe while iconic Hepner Hall encompasses this shape, reinforcing SDSU's global influence. SDSU is depicted at the very center of this globe on an abstract map of the local region. The inclusion of the border represents a university with many different cultures, while the coastal line signifies the nature that surrounds SDSU. The contemporary look of the medallion reflects a vision of the future for SDSU guided by President de la Torre.

2023 Honorary Doctorate Recipient

GENERAL MERRILL ANTHONY MCPEAK DOCTOR OF HUMANE LETTERS

General Merrill Anthony McPeak was born in Santa Rosa, California in 1936. After graduating from Grants Pass High School in Oregon, he entered San Diego State College where he majored in Economics. General McPeak and his future wife, Elynor, participated in San Diego State's Forensics program and received national honors as members of the debate team.

General McPeak was commissioned through the Air Force ROTC program and entered active duty in 1957. After pilot training, he served in fighter squadrons in the U.S. and overseas, including during the Vietnam War, where he commanded the celebrated "Misty" high-speed forward air controllers. In 1967-68, he performed in 200 official airshows as a pilot with the Air Force's aerobatic team, the Thunderbirds.

He earned a master's degree in International Relations from George Washington University and is a 1974 graduate of the National War College. He later spent an academic year as Military Fellow at the Council on Foreign Relations in New York City.

General McPeak's senior leadership assignments included command of the 20th Fighter Wing in NATO, the Twelfth Air Force and the Pacific Air Forces. General McPeak finished his military service as Air Force Chief of Staff, the service's senior uniformed officer.

Following retirement from active military service, General McPeak began a second career in business. He has been a director of nearly 20 public companies including Aerojet Rocketdyne, Tektronix and TWA. He was a founder, investor, chairman and director of several business startups.

In 2008, General McPeak was a national co-chairman of Obama for President. The president subsequently appointed him chairman of the American Battle Monuments Commission, responsible for supervising the many cemeteries and monuments in 15 countries overseas that commemorate the achievements and sacrifices of the men and women of the U.S. Armed Forces.

General McPeak appeared in, and was technical advisor to, the Ken Burns documentary "The Vietnam War." In 1992, the SDSU Alumni Association made him the first recipient of its Lifetime Achievement Award. In 2018, the government of France made him an officer in the Legion of Honor.

Merrill and Elynor McPeak are committed to advancing student success at SDSU. In 2020, they created the Elynor F. McPeak Endowed Scholarship for Economics Excellence in the College of Arts and Letters and the Elynor F. McPeak Endowed Scholarship for Aztecs Forensics Excellence in the College of Professional Studies and Fine Arts.

In recognition of his extended service to the United States, remarkable career in business and commitment and funding for SDSU students, the Board of Trustees of the California State University and San Diego State University are proud to confer upon General Merrill Anthony McPeak the honorary degree of Doctor of Humane Letters.
