

Create a Cap

SUPPLIES

Black paper or poster board

Head band: 22-30"
If needed, attach multiple pieces together to get length.

Mortarboard square: 10x10"
Fastener: 11x3"

Yarn (or embroidery floss)

(1) 24" long
(3-4) 6" long

Button (or button size paper circle)

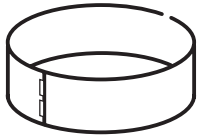

Ruler

Scissors

Tape (or glue)

INSTRUCTIONS

- 1 Head band:** Wrap the head band paper around your head, positioning it above your brow. The paper should overlap. Remove and tape to form a circle.

- 2 Tassel:** Lay the 24" yarn piece straight. Position the (3-4) 6" pieces in the middle.

Knot them together.

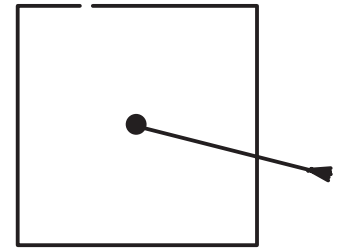

Fold the two longer ends together; fold the remaining shorter ends together.

- 3 Attaching with a button:** Tape the two long ends of the tassel to the center of the mortarboard.

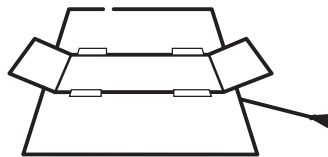

Tape the button over the tassel.

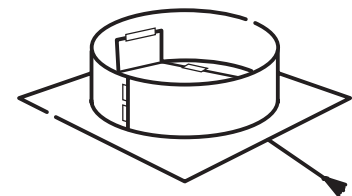

- 4 Fastener for the mortarboard:** Fold the fastener in three parts with the center part being the width of the head band. The ends are tabs and should be facing the same direction.

- 5 Putting it all together:** Lay the mortarboard with the underside facing up. Position the fastener to the center of the mortarboard and tape them together.

With the underside of the mortarboard still facing up, position the head band over the fastener with the tab to the center of the head band. Tape the head band to the fastener.

CELEBRATE IN STYLE

Use the SDSU hat decorations to decorate your crafted cap or favorite hat/ball cap.
